

Cockpit Resource Management - Not just for the airlines!

Cockpit Resource Management improves safety for all pilots whether you fly with a second pilot or a non-flying passenger. Learn basic CRM principles and how you can apply them to your flying to improve your safety and professionalism.

Directions: Airport is located approximately 1 mile south of State Route 87. Event will be held in the large hanger adjacent to the T Hangers.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
